

School Development Plan Summary

- Pupil Premium children in each class to make accelerated progress.
- Ensure that fundamental British values are at the heart of all aspects of each child's education.
- New Assessment procedures for pupils enable all pupils to make accelerated progress.
- Assessment is embedded throughout all lessons and used by all teachers to provide pupils with clear guidance to acquire and improve skills, understanding and knowledge.
- Assessment arrangements for Foundation subjects enable a clear understanding of where all pupils are.
- To reduce the gap between school and National with regards to whole school absence and persistent absence rates.
- Develop the PSHE curriculum to enable pupils to explain accurately how to keep themselves safe and healthy.
- Pastoral Files for all classes to actively promote all aspects of pupils' welfare and include comprehensive records on behaviour.
- To ensure that the Rights Respecting agenda continues to develop across the whole school and that Philosophy becomes an integral part of the school curriculum.
- Progress of pupils demonstrates 'substantial and sustained' progress across all years.
- To ensure English is taught consistently across the whole school, and Reading and Writing skills are embedded throughout.
- To ensure Mathematics is taught consistently across school so pupils acquire skills appropriate to their age.
